Summer Meatball Sliders Recipe

Author: Cherchies® Specialty Foods

## SUMMER MEATBALL SLIDERS RECIPE

### Ingredients

- King Hawaiian rolls (or any slider rolls will do)
- Frozen Meatballs (I usually make my own meatballs (using our [Garlic Seasoning](#)) and freeze a bunch for later
- Your favorite spaghetti sauce
- Shredded Mozzarella cheese (optional)

### Preparation

1. In a medium pan, heat meatballs in sauce until the meatballs are cooked. When meatballs are cooked, place one meatball on each of the slider rolls. (Optional, add mozzarella cheese on top of meatballs) Secure with your favorite pick. Enjoy!
